Paradise Hotel Busan & Grand Josun Busan
(Haeundae Beach) | Busan, Korea

Dr. Minsuk Suh

(Camtek Korea, R. of Korea)

Dr. Minsuk Suh received his bachelor's, master's and doctoral degrees of material science and engineering from KAIST(Korea Advanced Institute of Science and Technology). More than 20 years, he involved in the development and mass production of RDL, Flip chip, WLCSP and TSV including HBM at SK hynix. At now, he is the leader of R&D center in Camtek Korea. In 2020, based on over 20 years of experience in the package industry, he wrote a book, 'Package and Test that adds value to Semiconductor', for package engineers as well as engineers at equipment, materials, and students studying packages.
